## 关于推进科技创新创业、加速企业发展的实施意见

Implementation regulations on promoting technological innovations and accelerating entrepreneurship development

[2024版]  
[Version 2024]

为进一步加大对华东理工大学国家大学科技园(以下简称“科技园”)入驻企业的扶持力度,鼓励和支持科技创新创业,助力企业加速发展,特制定本实施意见。

The strategy of the regulations is aiming to enhance the support to the registered enterprises in ECUST National University Science Park (hereinafter referred to as 'ECUST PARK'), promote technological innovations and accelerate the entrepreneurship development.

## 总则

# GENERAL PRINCIPLES

1. 科技园根据园区总体定位、产业导向和入孵企业的发展需求,在为入孵企业提供创新创业服务的同时,向符合条件的入孵企业提供创新创业和企业发展资助。  
ECUST PARK shall provide services / subsidies / funding to the incubated enterprises, based on the diversified assessments on general positioning, industrial guidance and development needs from the registered enterprises.
2. 本实施意见适用于企业注册地和税收户管均在科技园(含科技园在上海市的各分基地,下同);条款中列明申请对象为科技园“在孵企业”的,指同时还与科技园签定过《科技企业孵化协议》的企业。  
The principles and regulations are applied to the enterprises, whose registration accounts and tax accounts have been both managed under ECUST PARK, including its subsidiaries; The 'incubated enterprises' hereof are defined as they have signed the Agreement on Technological Enterprise Incubation with the park, besides the conditions above.
3. 凡属于本实施意见适用范围的科技园入驻企业,可根据企业自身情况,对照本实施意见向科技园申请符合条件的创新创业和企业发展资助。  
The registered enterprises eligible for ECUST PARK principles and regulations, are encouraged to apply for the subsidies / funding based on their development needs.
4. 入孵企业申请资助的,应当按本实施意见的规定向科技园提交申报材料。  
The incubated enterprises should submit the necessary documents for funding applications, in accordance with the implementation principles and regulations of ECUST PARK.
5. 入孵企业享受科技园提供的创新创业和企业发展资助,可与国家、市、区各级政府给予的各类科技扶持政策同步享受,且作为科技园向各级政府推荐申报扶持政策、科技项目的主要依据。  
The incubated enterprises of ECUST PARK are eligible to enjoy the services, subsidies and funding for technological innovations and entrepreneurship development from the park, as well as the relevant policies from national, municipal and district governments at the same time. Those above can also be used as the fundamental basis for ECUST PARK to recommend technological projects to the governments at all levels and declare supportive policies from them.

## 创新创业和企业发展资助——科技创新类

# THE SUBSIDIES AND FUNDING – FOCUS ON TECHNOLOGICAL INNOVATIONS
